How a referral works

STEP 1

You refer

Use our online referral form at guardianhomesupport.com.au, or call us.

STEP 2

We follow up

Our team follows up within 24 hours.

STEP 3

We contact the family

We explain the options and costs in plain English, once the client has agreed to be contacted.

STEP 4

We keep you updated

With the client's consent, we update you on the outcome.

What you can rely on

- A real person to speak to, not a call centre queue
- Clear, honest explanations of what Support at Home covers
- No contact with a client until they have agreed
- We follow your organisation's referral process and policies
- We never give or accept gifts or payment in return for referrals
